

Individual Allergic Reactions Management Plan

This plan is to be completed by the principal or nominee in consultation with the parents/s on the basis of information from the student's medical practitioner (green ASCIA Action Plan for Allergic Reactions) provided by the parent.

[The remainder of the page is a form with multiple horizontal lines for text entry, which has been completely redacted with black bars.]

(continues on next page)

This Individual Allergic Reactions Management Plan will be reviewed on any of the following occurrences (whichever happens earlier):

- annually
- if the student's medical condition, insofar as it relates to allergy, changes
- as soon as practicable after the student has an allergic reaction in the care of the school

In addition to the above, this plan should be reviewed by the school staff in charge immediately prior to
